

Sand Pro SBP108

Portable Sanding Booth

The Sand Pro SBP108 sanding booth is a self contained, portable, and economical solution for collecting sanding dust from furniture too large for sanding tables. Powerful backdraft keeps dust from operators face regardless of height. Aluminum frame side panels with 40 mil. vinyl are hinged and fold against side of unit when not in use. The top is composed of (2) easily removable 54" wide & 44" deep panels. If a clean work environment is your goal, this versatile sanding booth is a great economical solution.
